Waco, Texas | kolade\_abobarin1@baylor.edu | +1 (254) 447 4042 | [linkedin.com/in/koladeabobarin](https://www.linkedin.com/in/koladeabobarin) | [kolade.pro](https://kolade.pro)

### CAREER PROFILE

---

MBA/MSIS candidate with 3+ years of experience leading product strategy and execution, from PRDs to roadmaps, in cross-functional teams. Skilled in AI-driven projects and market research, with the ability to translate customer insights, data, and emerging technology trends into strategies that drive growth and business outcomes.

### EDUCATION

---

**Baylor University**, Waco, Texas Jul 2025 – May 2027  
Master of Business Administration (MBA) & M.S. in Information Systems  
**Courseworks:** Corporate Finance, Strategic Marketing, Business Analytics, Information Systems, Database Management, Python

**Obafemi Awolowo University**, Ile-Ife, Nigeria Aug 2016 – Dec 2021  
BSc. Civil Engineering | GPA: 3.3/4

### WORK EXPERIENCE

---

**Senior Software Developer** (Bubble / Low-Code Specialist) | Di9ital Ltd. | Remote Mar 2025 – Jun 2025

- Ran client intake and planning that added \$100K in new business, translated goals into specs, timelines, and success metrics
- Introduced code reviews and stage gates that cut cycle time by 50% and reduced costs by 25 percent
- Hired and onboarded 2 engineers, ran standups, tracked risks and dependencies, unblocked delivery across projects
- Co-designed flows and component library, reducing new-engineer onboarding time by 50% and standardizing code reviews across teams

**Senior Software Developer** | We Make MVP Inc. | Remote Jul 2024 – Feb 2025

- Managed teams across design, QA, and engineering in three countries; defined milestones and a RACI, shipped on time and on budget
- Wrote functional specs for task and budget generation with Gemini, achieved 99 percent consistency in outputs
- Set up test plans, triaged issues, and drove bug burndown to hit launch dates

**Lead Front-End Developer** | Blueshirt Inc. | Remote Jul 2022 – Jun 2024

- Led the move from MVP to a scalable platform, orchestrated a dual run migration that kept uptime above 98 percent for 3 months
- Prioritized backlog using data and feedback, improving load time by 150% and doubling active users
- Collaborated with backend and other engineers to build ML and OCR pipelines that parsed resumes from PDFs/images into structured data

**Product Manager** | Aza Global Inc. | Lagos, Nigeria Jan 2022 – Dec 2022

- Launched QPay by owning scope, PRDs, backlog, and go-to-market; reached 100+ users and \$3K in transactions within two weeks
- Ran a two-week release cadence with a risk log and stakeholder updates; instrumented key funnels and used data to prioritize, improving time from sign-up to first transaction to under 24 hours
- Partnered with engineering, legal, and finance to implement KYC/AML and fraud controls, aligning product design with IP and regulatory requirements to ensure compliant onboarding and reduce chargeback risk

### PROJECT

---

**Xophie.ai** Jan 2025 - Present

- Built a meeting assistant leveraging ASR with Livekit, AssemblyAI STT, Cartesia TTS, for real-time transcription and summaries
- Treated as a learning lab, wrote specs, instrumented telemetry, iterated prompts, and improved accuracy through user tests
- Tech stack Next.js, Node.js, Python

### VOLUNTEERING EXPERIENCE

---

**Co-Founder** | NoCode Flux Jan 2023 - Present

- Founded and scaled a 189-member no-code community; designed curriculum, ran recurring workshops, and placed 11 members across 6 startups and agencies

### SKILLS

---

Product management, program management, machine learning, algorithms, OCR, ASR, IPR, roadmap planning, requirements and PRDs, risk and dependency tracking, stakeholder management, Agile and Scrum, Jira, Confluence, Azure, GitHub, SQL, Python, JavaScript, APIs, WebSockets, Firebase, KPI and OKR definition, data analysis

### ADDITIONAL

---

**Certification:** University of Pennsylvania (Coursera), Entrepreneurship Specialization, Customer Analytics Apr 2024

**Hobbies:** Traveling, Photography, Networking, Golf, Pickleball
